

§ 993.158

7 CFR Ch. IX (1–1–07 Edition)

part. No handler shall be permitted to hold reserve prunes on any premises outside the area.

(f) *Exchange of salable prunes for reserve prunes.* No handler shall exchange salable prunes for reserve prunes unless he has entered into a sales agreement authorized pursuant to § 993.65(b) whereby the value of any such exchange, and payment therefor to the committee, shall be determined.

(g) *Delivery by nonsignatory handlers.* Any handler not signing the sales agreement authorized pursuant to § 993.65(b), shall deliver to the Committee, upon demand, the total weight of his reserve obligation by such variety, grade, and size categories, and at the count per pound for each size category as is required by the reserve control regulation of the applicable crop year. Such deliveries of prunes may be either graded prunes or any lot of ungraded prunes, or portion thereof, identifiable to the satisfaction of the committee as being in the same form as when received: *Provided*, That the percent of standard prunes in each lot shall be taken into account but with respect to any lot of graded prunes, no credit shall be given to the standard obligation of the handler if in a sample of 100 ounces, the count per pound of 10 ounces of the smallest prunes exceeds the count per pound of 10 ounces of the largest prunes by more than 45 prunes per pound.

§ 993.159 Payments for services performed with respect to reserve tonnage prunes.

(a) *Payment for crop year of acquisition.* Each handler shall, with respect to reserve prunes held by the handler for the account of the Committee pursuant to § 993.59, be paid at a rate computed by the Committee (natural condition rate) for necessary services rendered by the handler in connection with such prunes so held during all or any part of the crop year in which the prunes were physically received from producers or dehydrators. Each handler holding reserve prunes shall perform such services to assure that the prunes are maintained in good condition. No payment will be made for prunes released by handler acceptance of diversion certificates if the handler has not stored the released prunes. The rate of payment shall be established by the Committee and must be approved by the Secretary. Following such approval, it shall be publicized as required in paragraph (e) of this section.

(1) On or before July 20 of each crop year when the Committee recommends a reserve pool (except the Committee may extend this date by not more than ten business days if warranted by a late crop), the Committee shall hold a meeting to review the costs for necessary services rendered by handlers in connection with reserve prunes.

(2) Such amount shall, together with the additional payments, as provided in this section, be in full payment for the costs incurred in connection with but not be limited to the following services: Inspection, receiving, storing, grading, fumigation, and handling. The costs include, but are not limited to:
